LETTER FROM THE EDITOR

As we head towards the end of 2018, we begin by expressing our sincere gratitude to our followers and supporters for the trust and appreciation in our philosophy and direction. In the last couple of years we have seen a wave of changes in much of the media industry, especially rough in prints business. However, we have also seen real values that lie in each of the surviving, high quality media companies. Those few continue their success stories against the odds, and we are pleased to remain one of them.

In fact, RRTH team have been busier than ever. With three different platforms for our endorsers to choose from: print, online, and activities, RRTH continues to excite audience through new heights of understated luxuries, and connect our vast network of Ultra High Net-worth Individuals with our fine endorsers, offering both ends the best, most beneficial experience the world (and soon beyond!) can offer.

Admirable lifestyle isn't all about spending time on cyber space, but rather being out there and set sail towards the vast ocean full of new challenges, no matter how big or small your boat may be.

One can expect plenty of "disruptions" in future technology, all with touch of a button. What we shall not forget, however, is the irreplaceable "human touch" that remains the most valuable asset in luxury lifestyle.

Superyacht Rendezvous is ready to make waves for 2018

From 6 to 9 December 2018, the third annual Kata Rocks Superyacht Rendezvous (KRSR), organized by Infinite Luxury in collaboration with the luxury Thai Resort Kata Rocks, will return to Phuket.

By THANATCHPORN PIASAI

The KRSR aims to bring superyacht enthusiasts together with a curated guest list, including owners, industry professionals and media from all over the world. This invitation-only event also helps to promote Phuket as one of the most prestigious yachting destinations, offering exotic scenery and culture, renowned hospitality and first-rate marinas with excellent infrastructure for larger yachts alternative to the Mediterranean and the Caribbean.

The outstanding success of last year's event, with more than 20 attending yachts including the top superyachts such as Feadship's 68-metre Lady Christine and Burgess' 50.8-metre Northern Sun, confirmed its elite status as one of the fastest growing and most impressive superyacht gatherings in Southeast Asia.

In 2018, KRSR will bring the world's leading luxury yachting

brands, prestigious shipyards and the most respected brokerage houses with support coming from brands including Royal Husiman, Hemisphere Monaco, Burgess, Benetti, Camper & Nicholsons, Lee Marine, Princess Yachts South East Asia, Northrop & Johnson, and Seal Superyachts back to Phuket.

It also marks as the first official participation of Oceanco, a Dutch world-class builder of custom superyachts, to the event. This partnership comes following a highly successful 2018 Monaco Yacht Show attended by The KRSR team. As one of the sponsors, Oceanco will host an exclusive owner's dinner in a Kata Rocks Penthouse pool villa.
