KATA ROCKS SUPERYACHT RENDEZVOUS

Big Spenders

The Kata Rocks Superyacht Rendezvous successfully established itself as one of the most exclusive yachting events in Thailand in its inaugural year. The by-invitation-only event drew a total of 15 superyachts (the largest being the 90-metre Lauren L), and included only the most influential yacht enthusiasts and stakeholders. The spectacular Kata Rocks resort made a fitting backdrop for various glamorous events over three days.
