SPECTACULAR BEACH BBQ AT INTERCONTINENTAL PHUKET ADDS FLAIR TO KRSR

INTERCONTINENTAL PHUKET BEACH BBQ

The Kata Rocks Superyacht Rendezvous (KRSR) is delighted to finally unveil the new location of our annual beach BBQ. This year, this exclusive event will be held at the InterContinental Phuket Resort, Kamala Beach on Friday 13 December. With a spectacular beachfront location and nestled in an enclosed bay surrounded by forested hills, this gem of a resort is an idyllic location for what has become one of the KRSR's most popular events. Benetti will be hosting a pop up spa during the event, offering attendees a wellness opportunity that perfectly complements the serene setting.

CHARITY GALA EVENT OF THE YEAR

The highly anticipated 'Soiree by the Sea', elegant sit-down charity gala will happen on Saturday 14 December 2019. Sponsored by Leading Yachts of the World, the event will also feature spectacular entertainment throughout the night, with all proceeds donated to The International SeaKeepers Society (participating for the second consecutive year) and Phuket-based Oceans For All. Tickets are very limited and priced at THB 7,950; please reserve your seats today by contacting marketing@infiniteluxury.com.

The KRSR is also proud to organise a unique educational beach clean-up and yoga session, in partnership with The International SeaKeepers Society and Oceans For All, on 7 December as part of its pre-event charity and sustainable development initiative.

WELCOME CRUISE ONBOARD CATAMARAN 'LOBSTER'

On Thursday 12 December, VIPs, guests and media arriving for the KRSR will be treated to one-of-a-kind welcome experience onboard 'Lobster Yacht Phuket', Thailand's largest and coolest catamaran. Held in partnership with Seven Marine Phuket, guests will enjoy a picturesque off-shore view of Kata Rocks and its surrounding while sampling bespoke cocktails and canapés, accompanied by curated sounds from Kata Rocks' Resident DJ Wii. The unique 10.30 am to 1 pm welcome experience kickstarts a series of events and happenings over four days at KRSR 2019.

KRSR ART FOR CONSERVATION

The KRSR, together with Aries Murano, are organising a private viewing cocktail party on Saturday 14 December from 5 to 6:30 pm featuring a collection of yachting inspired artwork. Aries Murano is hosting the event to showcase Italian made art and designer objects that offer a perspective on contemporary living.

Also showcased: The Fin Arts, which combines art and marine conservation to help endangered sharks by painting a better future for sharks, and Elephant Parade with its life-size, baby elephant statues that raise awareness about elephant preservation.

In addition, International Luxury Living will showcase a first-class sleeping experience with their custom-crafted mattresses. Ideal for private villas, and luxury yachts.
